- Heat Engineering and Refrigeration
Hanoi University of Science and Technology
| Sep 2015- Aug 2020

---

## OBJECTIVE

Right now I don't have much experience, so I would like to apply for the position of intern/fresher Frontend Developer to explore new dimensions and for the further development of my skills. My short term goal is that I want to be a part of a Frontend team, to build products that can show my skills, grow my career and my long term goal is to be a FullstacDeveloper.
